TECHNICAL SECURITY DIVISION

HIGHLIGHTS FOR MARCH 1975

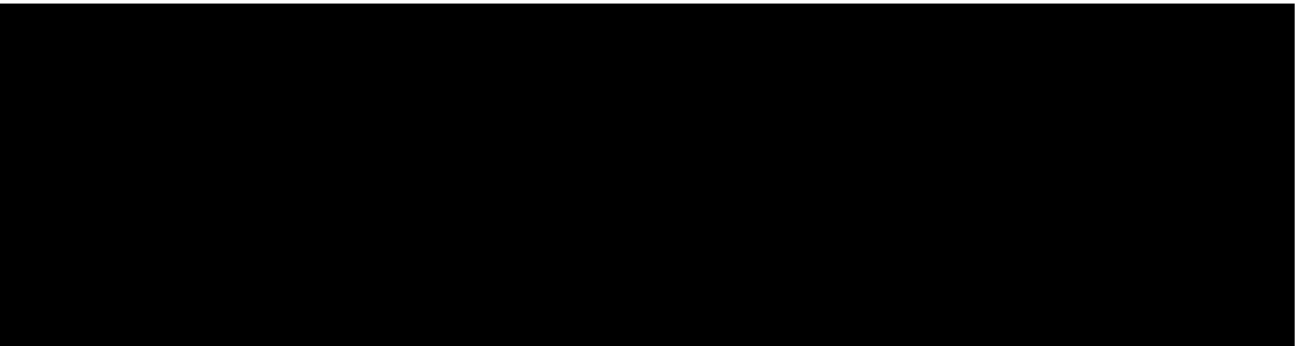

25X1A
25X1A
25X1A

A representative of the Office of Security presented an [REDACTED] training course for two members of the [REDACTED] at the request of LA Division. The program was conducted [REDACTED] in conjunction with an OTS training effort.

An Office of Security representative provided guidance to the Office of Communications relative to the latter's stated concern for field destruction of microfiche materials. This matter was raised in connection with OC's plan to provide their field activities with technical and maintenance documents in microfiche format.

Office of Security representatives presented a two-week training course in security equipment maintenance and repair to ten Office of Security careerists.

25X1A

25X1A

Office representatives presented a briefing on the Security Access Control System (SACS) to three (3) officials of the Bureau of Printing and Engraving. In addition, a detailed discussion was held on the Agency's experience with various document destruction methods and the Agency's plan to install [REDACTED] in the near future.
